## LOCK TUITION REVOCATION FORM

Oklahoma Legislation (House Bill 2103 and House Bill 3397) requires new freshman be given the opportunity to choose the system through which they plan to pay for their college education – either at a set rate based on the projected average of tuition costs for the next four years or at the standard rate charged each semester. **Students who have selected the lock tuition program may opt out of the guaranteed tuition program in a subsequent semester, but once they opt out they may not opt back in.**

To opt out of the lock tuition program, a student must submit this completed Lock Tuition Revocation Form to the Office of the Bursar prior to the first day of classes of the applicable semester. If the form is not received by the Bursar Office prior to the beginning of the semester, the student's lock tuition rate will remain in effect for that term, and it will not be revoked until the subsequent semester.

<p>I choose to opt out of my participation in the Tuition Lock Program beginning with my next term of enrollment at OSU, in accordance with the guidelines above. I understand once I submit this form, I will no longer be eligible to participate in the Tuition Lock Program in a future term of enrollment, and will return to paying the standard tuition rate. I also understand this Tuition Lock Program revocation is not retroactive.</p>
