Payment in full is due by the 15th of the month unless you are enrolled in the payment plan. Past due accounts accrue a penalty at the rate of 1.5% monthly (19.56% APY) and incur enrollment holds.

To help manage your financial obligations, OSU offers a semester based monthly payment plan. As an alternative to a lump-sum payment, you may set up a payment plan starting May 22nd. Your first installment payment is required when enrolling in the plan. Authorized Users or students can enroll in the plan via the portal by clicking OSU Stillwater/Tulsa Bursar Account under Quick Links; then click on the Payment Plan tab and follow the instructions. There is a \$25.00 fee to participate in the semester payment plan, however, there are no finance charges assessed and no enrollment holds if payments are made as promised. Please remember to enroll each semester to participate in the plan.

Payment Plan participants: installment payment notifications are sent in separate emails. The amount due below includes the anticipated installment payments scheduled and may indicate -0- amount due. The amount due is the current billed balance less the scheduled installment payments. Log in and click on eBill Statements to see the current billed balance.

A 3% convenience fee is added to all credit card bursar account payments. Credit card payments may only be made online. To avoid the convenience fee, you may consider several other options such as:

\* Online by Web Check/ACH

\* Mail checks, cashier checks or money orders to:
